

# Gossip Prevention

## IMPROVED PRODUCTIVITY THROUGH *POSITIVE COMMUNICATION*

Gossip in the workplace costs companies MILLIONS of dollars annually. From lost productivity and revenue to staff leaving with little or no notice.

It doesn't have to be that way.

This focused training teaches your staff and management effective tools to eradicate this malicious problem.

Participants learn the real definition of gossip, why people choose it and are given positive ways of communicating. They leave with tried and true skills to prevent gossip and avoid the trap in the first place.

### Topics Include:

- Communicating problems in an effective, compassionate and safe way.
- How to intervene safely when someone gossips.
- Catching yourself and choosing not to gossip.
- Effectively dealing with the underlying emotions and issues.
- How to feel better about yourself

The average employee spends 65 hours a year gossiping at the office.

This costs you thousands in direct loss of productivity and exposes you to losing millions through law suits.

Our **POWERFUL** Gossip Prevention strategies provide effective results and will help you create a more thriving, comfortable and **profitable** work environment.
