

PAUL'S MOST POPULAR TOPICS

Positive Choices for a Happier Life

Helping you remember who you are, that you are not what happened to you and you CAN make the changes you want. Paul shares his personal story and insights in this life-changing seminar. Powerful and fun.

Seven Steps to Phenomenal Management Skills

Improving your organization by going beyond technical skills. Paul teaches participants how to use the power of communication to **Engage, Motivate and Inspire**. These approaches are **Revolutionary!** "Seven Steps" is a must for any manager or CEO wanting to create and sustain a thriving company.

Compassionate Leadership

Participants learn the links between increased self-awareness and true leadership. They understand the importance of holding the vision, demonstrating respect and acceptance through behaviors, and are taught skills to create a thriving, productive and more profitable/productive work environment.

Conflict Resolution - a Map to Solution

During this highly interactive and effective training participants learn the underlying motives behind conflict. They learn a common and easy language and are taught proven tools to manage and work through conflict – effectively.

Gossip Prevention

This focused training teaches your staff and management effective tools to eradicate this malicious problem. Participants learn the real definition of gossip, why people choose it and are given positive ways of communicating. They leave with tried and true skills to prevent gossip and avoid the trap in the first place.

Bullying Prevention

For youth and people working with them. Paul discusses what bullying is and looks at why individuals choose to bully. He shares insightful remedies to prevent bullying, help the bully heal and stop the behavior. He shares ways to effectively support the victim to stand up and say "No" from a place of power.

Compassionate Classrooms

This powerful and fun workshop will help you put the fun back in your day. Paul shares effective strategies to help you not get caught up in the "trauma and drama" some of your students experience. You'll receive effective tools to stay detached, help them achieve their dreams and make your teaching day more productive.

Moving Through Fear - A Pathway to Success

Paul helps staff and participants move through fear created by these troubled times. He shows ways of doing easy reality checks, how to change your focus to what you want, and how to break through and create the abundance you want to achieve. Great for individuals, staff and management.

"I was so blown away by the first workshop I attended by Paul that I brought him back for a second session with my new staff on Conflict Resolution. I enthusiastically recommend his inspiring workshops to any group or person who seeks both professional and personal growth!"

Hollie Sanders
Renton Technical College

"I really valued the practice of the tools we learned. Being put into that position really brought the point home."

"Great information to take back to the workplace!"

Training Participants

"We brought Paul in to do two separate trainings for our staff and his presentations were GREAT! Numerous staff complimented me on bringing him in and suggested everyone in the agency go through this training. They also appreciated that he helped them adapt the tools to their own life as well as any challenges at work. I know Peace Enforcement LLC and Paul will exceed your expectations and help you with staffs' training needs."
